

## SMASH Registration

SMASH is a program for elementary aged children in our church and community and is designed to bring kids together to build friendships through creative activities alongside wonderful adults who love being with them and love sharing God with them!

- ◆ There is no fee
- ◆ Friends are always welcome
- ◆ Our only hope is that your child will want to come SMASH with us every time we meet!
- ◆ Questions? Connect with Rev. Sue Trigger, or call the church office: 913-345-1256
