

Children's Ministries at Grace Covenant 2017

Loving Childcare Sunday's 8:45-12:15

Our consistent and professional staff extends love to our children in so many ways. They know each child by name and how to care for each one individually. By engaging them with singing, reading, group and individual play, our nursery is a warm and wonderful start for calling church "home". Our caregivers also staff the nursery for music programs, women's groups and special services.

Awakening to Worship is our weekly opportunity for young children to experience and learn about worship in a setting that is designed just for them. Immersed in a gentle

and wonder filled time, children are able to learn, explore, and be introduced to God's stories that frame who we are and how we worship.

Offered at both the 8:50 and 11:05 services for children ages 4 through 1st grades.

Children in Worship

Believing that our children belong in worship, we offer ways to help families as children begin staying in the sanctuary.

◆ **Worship Bulletins** will be provided weekly for 2 age levels.

◆ **Worship Bags** are available with items that help children learn of worship after the leave Awakening to Worship.

◆ **Worship Leaders** are children in 2nd grade and older who carry the light into and out of the sanctuary during worship, and are invited to lead in other ways as well.

Family and Community Events
